Recalculation of Reclamation Cost Estimate

On November 7, 2003 we sent you a decision requesting additional information for your reclamation cost estimate (RCE) for your notice UTU-070645. Your original RCE was for \$500.00; we calculated an RCE of \$575.00. However, upon further review, we have determined that the administrative costs we used in our calculation were excessive for such a small operation. Therefore, we will accept your RCE for \$500.00. Shortly, you will receive information from the Utah State Office of the BLM on how to go about submitting a financial guarantee.
